**Fresh and Light Website Promotion VH-34191930:** Fresh and Light Website Promo is a design template that can be utilized to **show and advertising** programs for the computer, tablet, laptop applications, websites, and services as well as its user interface. The **placeholders are appropriate for videos, screenshots**, and animations of any kind.

Web promo is the continuation of the popular series and is completely designed within After Effects. It is a great way to advertise your brand new application or website! **Simply drag a picture** of your website onto those placeholders on the screen, then change your text, and then render.
