**Matrixulated (Videohive 8780857) - AE Project:** This After Effects template is great for opening any tv or media show. The project is easy to use and well-organized. In just one step, you can change the color. Drag and drop the audio track, then hit the render button. You can use Customization Controls to quickly render pre-rendered Matrix Background effects. You can change the fonts of all Matrix Texts by switching on Matrix Background Effect. Enjoy the process and remember to send me an email with any questions.
