Blender Market - Line Art Curve Modifier v1.0/1.1/1.2: Introducing the Line Art Curve Modifier, an advanced Geometry Nodes tool crafted to metamorphose your 3D objects into captivating line art creations. Immerse yourself in the harmonious blend of digital artistry and traditional aesthetics like never before. Whether you're a novice, an intermediate artist, or a seasoned professional, this tool offers an intuitive platform, enabling you to effortlessly craft remarkable pieces of artwork.

- **Precise Control:** Exercise meticulous control over the thickness and tapering of your line art, ensuring each stroke is tailored to perfection.
- **Automatic UV Generation:** Enjoy the convenience of automatically generated UVs for every stroke, streamlining your workflow and unlocking enhanced texturing possibilities.
- **Seamless Integration:** Effortlessly integrate the Line Art Curve Modifier's output into other Geometry Nodes projects, broadening the scope of your creative endeavors.
- **Object Curvature and Key Light Cast Shadow Support:** Leverage the capabilities of Object Curvature and Key Light Cast Shadow Support to enhance your line art with realistic shadows.
- **Versatile Line Art Positions:** Explore a range of line art positions, including contour, crease, silhouette, light contour, and cast shadow, introducing versatility and richness to your artistic endeavors.
- **Shadow Sketch and Hatch Infill:** Elevate your line art creations with shadow sketch and hatch infill capabilities, infusing depth and dimension into your designs.

Embark on a journey into the realm of boundless creativity with the Line Art Curve Modifier. Shape visually stunning line art compositions that captivate and mesmerize your audience. Whether you're a traditional artist venturing into the digital realm or an adept digital artist seeking to push artistic boundaries, this tool empowers you to create art that truly stands out.
