Vintage Nature Collage Creator – CM - 6651389: Create beautiful collages in no time with our collection of more than 450 drag-and-drop elements from the past.

The botanical, floral, as well as wildlife images, are all in full color and are sourced from archives and books. We meticulously curated these illustrations to match one and make it impossible to make a mistake in combing the illustrations. The design options that are available to you are limitless!

From the tiniest stem to the tiniest of feathers The beauty is in the detail. Every collage element was carefully isolated onto an unobtrusive background using a hand to give it an edge that is perfect and has no ghosting white. This makes them ideal to overlay digitally on every background and cut.
