Unreal Engine - Blueprints WW2 Tank - IS-2 - Advanced Tank Blueprint: Step into the commanding presence of the IS-2 battle tank! This engineering marvel comes equipped with an advanced controller that intricately simulates both track and weapon dynamics, ensuring an immersive and exhilarating experience on the battlefield.

- **Weapon Component:** Effortlessly customize effects and sounds to match your preferences, ensuring your arsenal is unique.
- **Projectile Component:** Fine-tune effects and sounds with ease, complete with a bonus 203mm shell model for added firepower.
- **Sound Effects:** Engage your senses with various sound effects, including idle, engine, cannon, machine gun, and more.
- **High Texel Density:** Experience unparalleled visual fidelity with 4 separate material slots and 2 wheel slots, ensuring every detail is meticulously rendered.
- **Particle Effects:** Immerse yourself in the chaos of battle with impact, firing, dust, exhaust, and fire effects, among others.
- **Destruction:** Witness the intensity of combat as tanks engage in ferocious battles, with each tank featuring its own unique destructible static mesh and dynamic texture variations.
- **Advanced Chaos-Based Tank Controller:** Enjoy smooth and realistic tank movement, providing a satisfying and immersive driving experience.
- **Turret and Weapon Control:** Take precise aim and unleash devastation upon your enemies with independent turret and weapon control.
- **Emissive Light Controls:** Customize the ambience of your battlefield with emissive light controls.
- **Rigged Suspension & Hydraulics:** Navigate challenging terrain easily, thanks to rigged suspension and hydraulics that respond realistically to environmental conditions.
- **UV Animated Tracks:** Experience the dynamic movement of tracks with UV animation, further enhancing the realism of your tank.
- **Track Decals:** Leave your mark on the battlefield with track decals, showcasing your journey through the heat of battle.
- **Animated Cannon Recoil:** Feel the power of your cannon with animated recoil, adding a visceral touch to your combat experience.
- **Demo Desert Level:** Immerse yourself in a realistic desert environment with the included demo level, providing the perfect backdrop for your epic battles.
