#### MotionVFX - mtitle MAX:

The mTitle MAX collection offers 30 exclusive, oversized title sets for Final Cut Pro X, designed to create impactful headers, openers, titles, or intros.

With bold typography and monumental style, these titles ensure clear, standout messaging that captivates audiences. The drag-and-drop workflow, on-screen controls, and customizable parameters simplify the design process, making it accessible and efficient. Optimized for FCP 10.3.4+ and Motion 5.3.2+, the titles are fully compatible with Apple Silicon and Intel chips, delivering exceptional performance in a horizontal aspect ratio. This collection guarantees your ideas will command attention and leave a lasting impression.
