The Breakfast Club - Signature Script Font:

Included in this package is The Breakfast Club Script, meticulously crafted with delicate curves to offer a font that is both distinct and original. It encompasses a comprehensive set of both lowercase and uppercase letters, an extensive array of punctuation marks, numerals, and support for multiple languages. Ideal for infusing an elegant and unique flair into your calligraphy projects and branding endeavors.

Additionally, The Breakfast Club Script provides versatility, whether you're designing wedding lettering, creating stunning frames for your home, or enhancing the visual identity of your small business. Its applications extend to book covers, stationery, marketing materials, magazines, and beyond.

What's included:

- The Breakfast Club Script Regular in OTF and TTF formats
- The Breakfast Club Script Slanted in OTF and TTF formats
