- New Instagram template:15 to advertise your service or product
- Modify all logos and texts or logos. It can be a Facebook live, a YouTube story, or...
- It is available in two resolutions - 9:16, 1080x1920, or 1920x1080.
- Let the walking man "walk out of the feed" and dissect the feed.
- Created initially to be used in 9:16 proportions, this template has Placeholders
- Change all text/logos
- Five placeholders for text and 16 Image Placeholders
- The only thing that is pre-rendered is the looping "texting" man, which is an 8-sec loop
- The rest of the elements are in After Effects
- The sound used in the preview videos is not included
