

Premium Transitions Fast Slides (Videohive 52454136) - AE Project

2025-02-10 17:00:57 [label](#) [我要反馈](#) [下载页面](#)

The Premium Transitions Fast Slides After Effects project offers a collection of premium transitions designed for fast-paced slideshows.

What should we do to show the quick slides of our project in After Effects?

You can use "Premium Transitions Fast Slides" to design your project.

"Premium Transitions Fast Slides" Samples:

Compatible with After Effects 2019 and above, it provides resolutions up to 4K HD, comprising 10 dynamic transitions with accompanying sound effects. The project requires no additional plugins and includes a tutorial for easy implementation.

Package information

The After Effects project files, compatible with the CC version, were last updated on May 28, 2024, and were published on the same day.
