#### AnastasiaDeg Brushes Pack For Procreate:

This collection features a variety of hand-drawn brush packs designed for Procreate, Photoshop, and Clip Studio (version 1.10.5 and above), created for artistic versatility and creative expression.

The packs include Scales (31 brushes for mermaid, snake, and dragon textures), Stitches (26 brushes for skin and fabric stitching, perfect for horror and fantasy art), Bundle (57 brushes combining essential, render, hair, and vegetation brushes), Chains (30 brushes for alternative outfits and dungeon designs with barbed wire options), Glitter (35 brushes for sparkly, dazzling effects), Scars (30 brushes for realistic battle scars and storytelling), and Snow (30 brushes for winter-themed effects).

Each set is crafted for detailed digital artwork, enhancing storytelling and creative projects.
