Franzis NEAT #4 professional + Portable 4.23.04017: Enter the world of HDR projects – where crisp, high-contrast images come to life with stunning clarity. Since introducing Photomatix HDR photography software to Germany in 2007, FRANZIS® has become synonymous with cutting-edge photography solutions.

Today, FRANZIS® stands as the leading name in high-end photography software in Germany, earning accolades from both media and users alike. Our innovative FRANZIS® projects line caters to professional photographers, offering specialized solutions and design options that push the boundaries of traditional photo editing.

Each software tool is meticulously crafted to inspire and empower photographers, unlocking endless creative possibilities. Our trials promise to ignite your passion and elevate your expertise, transforming you into a recognized photo expert. But our mission extends beyond professional photographers – FRANZIS® is dedicated to making technology accessible to all. With nearly 100 study packages, experiment boxes, and construction kits, we aim to inspire curiosity and excitement in people of all ages.

Whether you're a photographer, engineer, programmer, or simply curious explorer, FRANZIS® offers perfect, quick, and competent solutions through books, software, construction kits, and webinars.

At FRANZIS®, we believe in fostering hidden passions and unleashing creativity. Whether it's photography, programming, science, or technology, there's something for everyone in our diverse product categories. Dive into a new challenge, from constructing a weather station to mastering remote-controlled helicopter models – all while having fun!

FRANZIS® is your go-to publisher for challenging hobbies and hobby technology designed to excite and inspire enthusiasts at every level. Whether you're a beginner, advanced user, or technical master, find your project and passion with FRANZIS®.
