Asim Nauwag ULTIMATE GRUNGE FX BUNDLE for After Effects:

The Ultimate Grunge Effect Bundle for After Effects is designed to transform music videos with gritty, distortion-filled visuals. It includes two preset packs: Grunge - Default and Grunge - Add-On.

- **Grunge - Default:** Requires no external plugins and is ideal for creating dynamic distortion and grungy effects with a single click. It's inspired by artists like Playboi Carti and Ken Carson.
- **Grunge - Add-On:** Requires Sapphire and Universe plugins for advanced distortion effects, pushing the boundaries of video editing.

"Asim Nauwag ULTIMATE GRUNGE FX BUNDLE" Sample:

Key Features:

- Instant distortion and grungy effects.
- Easy application for both beginners and pros.
- Versatile use for music videos and promotional content.
- Over 60 high-quality presets and overlays.
- Simple drag-and-drop functionality.
- Seamless integration with After Effects.

Included in Grunge - Default:

- Presets like 12 FPS, Fish Eye, and VHS Scan Lines.
- Overlays like Colorful Grunge, CRT Flash Transitions, and Grunge Overlay.

Included in Grunge - Add-On:

- Presets like Bloody Mary, CRT SYNTH, and Wiggle Transition.
- Overlays like Border Overlay, Flash Warning Transition, and Grunge Wipe.

This bundle helps save time, achieve professional visuals, and experiment with unique effects effortlessly.
