Countdown (Videohive 50736374) - AE Project: Introducing our template with prerendered numbers, eliminating the need for plugins. Only the logo is editable, allowing easy customization; replace it with your logo or text. The resolution is set at 1920×1080, ensuring high-quality visuals. Elevate your branding with this versatile template, perfect for intros, presentations, and more. Customize effortlessly and make a lasting impression with our user-friendly design.

- Prerendered numbers for seamless integration
- Easy logo customization
- Compatible with After Effects versions CS 5.5, CS 6, and higher CC versions
- Includes video tutorial for straightforward setup
- Please note that audio is not included, but you can find it separately
