Ink Sketching For All – Water Soluble Techniques and Sketchbook Projects: Discover the captivating art of ink sketching in this engaging Skillshare class. Whether you're an experienced artist or a beginner, this course is crafted to unlock your creativity and equip you with quick, enjoyable, and simple techniques to capture any scene using soluble ink and wash.

From the rugged charm of windswept lighthouses to the whimsical energy of doodle-like characters, we'll explore various subjects; each brought to life with nothing more than everyday ink pens and a brush. Throughout the lessons, we'll cover essential topics such as ink sketching, creating shadows with soluble ink, ink loading versus layering, controlling water, mixing inks with other media, and advanced techniques to infuse your sketches with life and energy.

Through step-by-step demonstrations and hands-on exercises, you'll build confidence in creating stunning sketches with depth and dimension. With each stroke, you'll fill your sketchbook with art you'll enjoy making and be proud to showcase.

Whether you're drawn to nature's beauty or urban life's vibrancy, "Ink Sketching For All" invites you to unleash your imagination and express yourself using ink and paper. Enrol now and embark on a journey to master the art of ink sketching!
