NEON SCRIBBLE EFFECTS

The structure on the appeal of our original Glow FX pack, we produced Glow FX 2. The primary distinction between these two packs is that Glow FX 2 features authentically hand-drawn aspects. Everything in this pack is hand-drawn and personalized animated frame-by-frame. The amount of job that went into this pack displays in the high quality and the individuality of the effects.

Gfx plugin details of GLOW FX 2.1 From Cinepacks (AE , PR , Davinci , FCPX)
