Mini Style Web Promo - AE Project VH-36680808:

The most effective method to promote your site is by using this template! Unique design for landing pages featuring a unique and distinctive motion design.

Mini Style Web Promo is an illustration of a template that can be used to show and advertise functions of laptops, computers, or mobile tablets applications, services, and websites. It also provides a user interface. The placeholders could be used to show videos, screenshots, or any other type of animation.

Web promotion is the sequel to the popular show and it is entirely designed with After Effects. Perfect for promoting the latest app or website! Simply drag a picture of your website onto the placeholders on the screen and then modify the display and content.

- FullHD (1920x1080) resolution available / 25 fps
- After Effects CC 2013, the CC 2015, CC 2016, and the CC 2017 version. For 2018's CC 2019 and 2020 and CC 2021. The software should be CC 2022 or greater.
- 0:43 min duration
- Two scenes with placeholders for the media (photos or images of pages of the landing or videos If you want) together with titles (you can write any message you like)
- There are 16 placeholders for media (photos as well as videos)
- Universal expression is available. It is possible to work with any software that can support languages.
- No plugins are required. 100% After Effect
- The font used in the preview isn't included, however, the links are contained within the PDF.
