Everybody has trouble with the design of titles... this is why we've teamed up together with some of the world's top graphic designers to create Film Titles VOL. 2! This pack comes with 20 solidly designed titles that function seamlessly in the editing software you prefer! (Premiere / Final Cut / Resolve / Photoshop)

DELETE YOUR TITLES

Titles are among the first and only things your viewers will look at. It's simpler than ever before to create an impactful first impression.

Dragging and dropping

The titles we've created are designed to be simple to use. All you need to do is drag and drop the title onto your video to start making!

FULLY CUSTOMIZABLE

Each title comes with its own exclusive set of completely customizable sliders, effects, and parameters. Setting the appearance you want you to want for your work has never been so easy. The possibilities for creativity are endless.

Video Tutorial

We've created an instructional video that will solve most of your queries! HD versions of the tutorial is included with the purchase!
