Christmas Painting: A Pattern with Watercolor and Colored Pencils

2025-02-10 16:37:02　　label 我要反馈　　下载页面

Learn to paint dried cinnamon sticks, dried oranges as well as star anise, and other elements that are inspired by the holidays using colored pencils and watercolors to make a stunning festive pattern.

In this class, you'll learn specific techniques to help develop your painting abilities and at the time you've finished the class, you'll have the ability to create different elements you can incorporate in any composition you make!

When we paint, you'll be taught:

- Materials suggestions.
- Wet-on-wet painting.
- Wet-on-dry painting.
- How do you paint dried texture in orange?
- How to paint various types of leaves.
- How can you increase the volume of your components?
- How to convey details using colored pencils.

This is the class suitable for:

With step-by-step instructions, This class is designed for artists who are at an intermediate level. You'll learn to follow the instructions and draw each part.
