Sleeklens: Complete Mobile Preset Collection:

The Sleeklens Complete LR Mobile Collection offers a range of Lightroom Mobile presets designed to enhance photos for social media sharing.

With 165 presets in DNG format, this collection provides instant effects and is compatible with iOS and Android devices.

Users can edit DNG, JPG, and RAW files directly on their mobile devices.

This collection is ideal for photographers seeking a streamlined editing process without the need for transferring photos to a computer.

The package includes installation instructions, making it a convenient tool for travel photographers or those needing quick, professional-quality edits on the go.
