Opener Intro (Videohive 33364722) - AE Project: This is a fun and quick intro template that can be used to create a fast and fun promotional video for sales. The slide show with urban design can be used as a sports intro video, event announcement, or even a YouTube intro for kids. Glitch abstract animation, paired with explosion-like text motions to create an action intro logo, which is great for Instagram videos that feature brand advertisements promotional stores, or YouTube openers. I hope you appreciate this upbeat and energetic music teaser. Utilize this incredible slideshow to introduce your show quickly and easily. Simple and well-organized elegant modern introduction - a street opener that is simple and positive fashion. Check it out!
