MAGIX Photostory 2025 Deluxe v24.0.1.204 (Win):

MAGIX Photostory 2024 Deluxe is a tool for creating customized slideshows from photos and video clips.

It offers a range of transitions, animations, and editing tools, allowing users to craft unique and memorable presentations.

Key features include easy image and video organization, a wide array of effects, titles, and transitions, and tools like object tracking and chroma key for enhanced creativity.

The software also includes MAGIX Travel Maps to create animated travel routes and, with a subscription, access to a creative library and a text-to-speech feature.

The 2024 version introduces a revamped interface, improved preview capabilities, and new chroma key options.
