**3D Abstract Glitch AI Cristal Animation Opener IT VH-50537864:** The project comes complete with all pre-renders, featuring cube files in 3D that are rendered with an alpha channel in .png format, eliminating the need for plugins. The After Effects files are compatible with all languages and boast a resolution of 1920x1080 pixels. The project includes four lower thirds; no additional plugins are required for seamless integration. Created in CC 2023, it offers easy color experimentation and accompanies a tutorial video for added guidance. Simplify your editing process with this comprehensive project package.
