App Promo Phone Mockup (Videohive 55320907) - AE Project

2025-02-10 16:37:32　　label 我要反馈　　下载页面

App Promo Phone Mockup (Videohive 55320907):

This is an After Effects template designed to showcase mobile apps, startups, or businesses. It features four pre-made scenes in Full HD resolution (1920×1080px) and requires no additional plugins. The project is user-friendly and includes a help file for easy customization, making it a versatile choice for creating professional app promotional videos.
