Salemo Typeface: Salemo, a font inspired by vintage prints, takes the essence of Afrora but adds a more comprehensive and classic touch, making it ideal for diverse applications. Highly recommended for branding projects, website fonts, poster designs, magazine layouts, and book typography, Salemo exudes a minimalist style. It encompasses uppercase, lowercase, and select punctuation for various creative possibilities.

File Formats:

- OTF
- TTF
- WOFF
- WOFF2

Crafted by hand, Salemo brings your projects a unique and timeless aesthetic.
