

Cinematic Trailer Titles (Videohive 52734752) - AE Project

2025-02-10 16:50:18 label 我要反馈 下载页面

Cinematic Trailer Titles is a versatile and dynamic After Effects project suitable for cinematic trailers, action sequences, and promotional videos.

How to use templates for movie trailers to design your project in After Effects?

You can use "Cinematic Trailer Titles" to design your project.

Designed in a modular format, it allows easy customization by adding, removing, or extending segments effortlessly. With 7 text placeholders and a logo placeholder, this project offers Full HD resolution (1920×1080) and is compatible with After Effects CC2019 and higher. It features pre-rendered particle effects, requires no plugins, includes basic instructions for customization, and provides font information in the help file. An audio track is not included.

Package information

The After Effects project for "Cinematic Trailer Titles" was last updated and published on June 12, 2024, and includes files compatible with After Effects CC.
