Elle May - Ink and Stain Texture Kit

2025-02-10 16:38:47 label 我要反馈 下载页面

Elle May - Ink and Stain Texture Kit: Explore the charm of imperfection with the Ink and Stain Texture Kit, featuring eight textures inspired by the character and mood found in aged photos. Each texture, at a width of 7000 pixels, is designed to enhance emotions and spark creativity, serving as a versatile asset for unique creations.

In JPG format, these textures can be recolored, used for elements, cropped, or stacked to suit your artistic vision. With high resolution, they are print-ready, providing flexibility for various applications.

Included in the kit:

- Eight textures
- PDF with tips and techniques for optimal usage

Initially crafted for Photoshop and Photoshop Mix (a free app), the kit is compatible with Adobe InDesign and Illustrator, ensuring adaptability across different creative platforms. Unleash your beautiful mind and artistic flair with these textures, and let your unique creations shine!
