Animated Emoji V2 (Motionarray 843551) - AE Project

2025-02-10 16:43:17   label 我要反馈   下载页面

Animated Emoji v2 is a brilliant template for After Effects. It carries 30 stylishly designed and simplistically animated emojis. They're so effortless to use, virtually modify the shades and hit render. All of the emojis have a special fashion and animation. You can use them in your presentations, slideshows, promotions, events, Facebook, and YouTube videos. No plugins required.
