

## LSP Actions – Artisan Texture Pack

2025-02-10 16:57:26 label 我要反馈 下载页面

**LSP Actions – Artisan Texture Pack:** Experience the transformative power of the Artisan Texture Pack II, complete with a bonus set of Photoshop Actions. This texture pack brings a bold and tangible depth to your images, providing a stunning finish that elevates your portraiture to new heights. The pack includes ten high-resolution textures, each available in color and desaturated versions, and a Photoshop Applicator Set featuring helpful actions and tutorials.

### Introducing the Artisan Texture Overlay Pack II:

- Instantly enhance your portraiture with divine depth and a painterly texture.
- Designed with an Old Master's hand-painted finish in mind, these textures turn your images into masterpieces during the editing process.
- Easily transition from a plain backdrop to a textured, visually engaging masterpiece with just a few clicks.
- The Camden Texture Collection III is crafted to add remarkable depth, providing images you can almost feel.

Best used with mid-tone backgrounds, these textures stand out the most. If used with dark or light backgrounds, included actions help blend or allow for manual adjustments.

### Bonus Photoshop Action:

- Effortlessly blend and tone textures to your image.
- Tweak tones, skin, and more with just a few clicks.
- Elevate your images to a fine art finish and recreate the ambiance of a hand-painted muslin backdrop in seconds.

### What's Inside:

- Ten high-resolution textures (20 files in color and desaturated versions)
- Photoshop Applicator Set for easy integration and application

### How It Works (Easy as 1, 2, 3):

- Load Into Photoshop: Unzip the file and double-click the actions to load it into Photoshop for instant use.
- Play The Texture Applicator Action: Choose to add a texture manually or play the action to apply your chosen texture intelligently. Watch as layers are created to blend skin and background seamlessly.
- Tweak The Texture To Suit: Whether through manual adjustments or the included actions, customize the texture layer to suit your image perfectly. Then, save your masterpiece!
