Rise and Dine: Drawing Cute Kawaii Breakfast Food Friends in Procreate: We'll draw a Kawaii breakfast set in this class. You'll learn how to draw cute pictures using simple techniques. We're starting from scratch, so you don't need any additional preparations.

This class doesn't require any previous experience or fancy tools, making it suitable for both beginners and experienced artists. Everything you'll love will happen in Procreate; however, if you have other software or want to try traditional materials, you'll be welcome to join!

During the class, we explored:

- Simple shapes with QuickShape tool
- Assisted Drawing & Symmetry tool
- Clipping Masks, Alpha Locks & Blending Modes

Upon completion, you will:

- Get 4 full-colored illustrations of cute breakfast food, which you might use, for example, as clip art, stickers, or as a full-fledged illustration – you can print it or use it digitally
- Know the basics of making cute characters
- Be ready to start creating your kawaii pictures.
