Sport Opener (Videohive 38036097) - AE Project:

After Effects Template to make a sports promotion for a fitness center, an exercise commercial opening for a sports competition, or a review of sports clothing. Inform the audience about a fitness program or coach, and include an athlete or encourage your team to succeed in the midst of a huge new project. It is a great way to combine any type of sports - boxing powerlifting, basketball, or running, for example.

The dynamic black color scheme evokes intense emotions during sports, such as the power of energy and strength as well as stress, competition, and enthusiasm. You can also alter the colors by using the control of colors.

Content that is black appears stylish and classy. It's a great choice for companies selling elegance and luxury premium professional products as well as top-quality items. Black makes them appear more trustworthy and expensive.

To enhance the message of your video, we developed impressive typography using text backgrounds and speedy, low-key text animation.
