**Becca Jean – The Inner Light Presets Collection:** The Inner Light Lightroom presets cater to photographers aiming to preserve vibrant colors while achieving a soft, radiant complexion in their subjects. Tailored specifically for lifestyle photographers, these presets have undergone testing in various conditions, including sunset, sunrise, open shade, cloudy days, overcast weather, and indoor settings with natural light. They are designed to enhance your photos' quality across different scenarios.

Elevate your photography effortlessly with Inner Light Lightroom Presets. You can infuse your images with stunning, vivid colors in just a few clicks and achieve the dreamy, glowing skin tones you've always desired.

WHAT'S INCLUDED:

- Five color Lightroom presets
- Two black & white Lightroom presets
- Three mask settings (sky, sun warmer, face bright)
- Installation instructions

Please note that these presets are compatible with the desktop version of Lightroom and not the mobile version.
