# MN Raghford - Condensed Sans Serif Typeface

2025-02-10 17:07:28　　label 我要反馈　　下载页面

MN Raghford - Condensed Sans Serif Typeface: MN Raghford is a condensed sans-serif font characterized by its unique inktrap style, adding flair to certain parts of the letters. Packed with a range of OpenType features, this font supports 89 international languages, enhancing its versatility. Boasting bold characters and notable contrast, MN Raghford retains its sophistication, making it ideal for short headlines or modern design concepts seeking an elegant touch. Its striking inktrap details offer a distinct and visually captivating element for diverse design endeavors.
