# Motion Array It's Your Birthday

2025-02-10 16:58:56    label 我要反馈    下载页面

**Motion Array It's Your Birthday:** Celebrate birthdays in style with this delightful template designed to add a festive touch to your wishes! Insert a photo to spotlight the birthday boy or girl, and customize the age, birth date, and month for a personal touch. Cap it off with a logo at the end of the sequence and tweak the colors to match your party's theme. There's even a square version for sharing on social media. Download today and make every birthday celebration memorable.

Bring joy to your birthday wishes with this fun and customizable template. Download now and add a splash of celebration to your videos!

- After Effects CC 2020 compatibility
- Resolution: 3840x2160 (4K)
- No Plug-Ins required
