Exotic Refreshment Shunus Organic Journey vol. 2: Building on the success of his debut Sample Pack, British Producer Shunus, based in Cairo and renowned for his releases on labels like Wayu Records, Art Vibes Music, Exotic Refreshment, Rebellion Der Traumer, and more, proudly presents "Organic Journey Vol. 2."

This essential collection of samples is intricately crafted to assist you in creating the organic house and downtempo vibes that Shunus is celebrated for. To curate this diverse selection of samples, Shunus draws inspiration from various locations, including the bustling streets of Cairo and an abandoned gym, adding a unique touch to his samples.

Within this pack, you'll discover a broad range of crisp foley sounds and textures seamlessly blended into inspiring melodies and grooves. The collection comprises 148 loops and one-shots in WAV format (44.1 kHz, 24-bit), ready to elevate your next track.
