# Motionvfx mFitness Plugin

2025-02-10 17:15:59    label 我要反馈    下载页面

**Motionvfx mFitness Plugin:** Discover the incredible impact that the mFitness program can make on your editing and discover how it brings a professional look to any video!

Show your expertise and share your knowledge. Invigorate your videos by using modern motion graphics. In just a few minutes your channels, inspirational video, or other content will have a professional, modern design that is memorable and easy to recognize. You can now concentrate on your work and let mFitness manage the visual aspects!

- Software macOS supported 10.15.7,
- Motion 5.5.1 or Final Cut Pro 10.5.2
- This includes 102 FCP Titles
