

Cinegrain – Pipeline LUTS

2025-02-10 17:05:43 [label](#) [我要反馈](#) [下载页面](#)

Cinegrain – Pipeline LUTS: The PIPELINE collection contains some of the best Film Profiles used in post-production. The perfect pixel Film Response LUTs live inside the vast ACEScct AP1 workspace.

It's a picture perfectly achieved. Deliverables for Theatrical TV, commercials, Netflix, Amazon, Music Videos, Web, and more can be created from a single grade. Modify the output mapping according to your delivery specification to render.
