

Film LUT for Video – Wanderlust

2025-02-10 16:47:17 [label](#) [我要反馈](#) [下载页面](#)

All these Gorgeous Movie LUTS were Created with the Traveling Content creator in your mind.

The Wanderlust Bundle was made for on the move filming- when You might not always look your best, or have charge of this light. This is my go-to remedy to appear more living on camera.

Within of the collection, there are 6 handmade LUTS Made to:

- Beautify Skin tones
- Insert Interesting vibes to journey videos
- Boost Panoramic colour and Enhance moods
- Insert A professional edge to your traveling vlogs

Each look Inside This LUT package is exceptional and will include a creative And thoughtful colour change to your own videos.

All these LUTS are layer-able to get a mix of textures and Consequences!

They're also available within the Supreme Travel Vlogger Bundle from AMaeTV.

WANDERLUST PACK (6-LUTS)

- Skin Care Wander -- The LUT that motivated it all. Gives skin an Excess pop of life
- Rebel -- A cinematic teal and orange appearance comprising soft blacks and superb cool vibe
- Vagary -- A glowing and Gorgeous way to wash out skin imperfections or Brighten up a spectacle
- Numinous -- Ruby kissed skin and trendy blue-greens make a gorgeous appearance
- Fernweh -- Adds crisp comparison with an inherent glow
- Sonder -- Made to include LIFE into some dull landscape with lush skies

Your download will comprise 6 .cube files.

Not a traveling vlogger? From studio shots into product shots, These LUTS functions with a number of different kinds of video.

COMPATABILITY

All these LUTS were made to Improve Rec 709 footage- the Standard shooting mode in the majority of consumer-level cameras. This is in comparison to LUTS Made to operate on LOG footage- that is far too striking for footage Shooter in Rec 709.

Cube LUTs are compatible with some video and photo editing computer software programs such as:

Final Cut Pro Adobe Premiere Pro & CC Davinci Resolve Adobe Speedgrade Adobe After Effects CS6 & CC Adobe Photoshop CS6 & CC Sony Vegas Lut Loader Any 3D Luts compatible Software

Compatible with: Final Cut Pro, After Effects, Other
