VHS Intro (Motionarray 287653)

2025-02-10 16:58:56   label 我要反馈   下载页面

VHS Intro is the fastest-moving and fashionably animated After Effects template with an attractive design, contemporary text animations, and stylish transitioning effects. The template comes with 8 placeholders for media, six editable text layers, and 1 logo placeholder. A stunning introduction to your commercials, TV shows and presentations, slideshows, and YouTube videos. Make your audience swoon with this classic-looking and vibrantly animated template for AE. No plugins are required.
