8 presets reflect the work of Trägi and 5 others show the things that inspire the artist. In other words, you don't just have access to the artist's work, but you also get a different perspective on the visual ideas from other artists. We don't wish to duplicate anyone's work directly we took the effort to dissect the fundamental concept and avoid explicit references to the person who gave us the concept in this article.

Visually, these styles fluctuate between a delicate beauty and intense sharpness. Sometimes, the boundaries blur without a clear line. The vibrant colors and the massive black and white styles combine to bring us into a realm of melancholic beauty which Trägi discovers for us.

All profits will go to artists directly!

The software works in conjunction with Adobe Lightroom CC (cloud-based Version), CameraRAW (10.3 and above), and Classic CC (7.3 and above) and is usable with older versions of LR such as Lightroom 6. To make use of them in conjunction with Lightroom Mobile, you'll need a Lightroom CC or Classic CC running on Windows and OS X.
