**Fashion Look Photo Effect (CreativeMarket–5402231):** Any photo can seem like it's been produced by the group of specialists working at a studio for a couple of hours. Exactly the same"magazine gloss" can be easily attained if you have Photoshop and this Fashion Look photo effect on your downloads.

The lack of studio lighting can be paid with a couple of clicks: choose between 6 color options to match the mood of the picture you're working on. For all those, who are into braver motions, then there's a gradient option sensibly added to the archive file. Allow your photography to obtain a brand-new appearance, a more stylish one!

- high-quality photo result;
- exclusive gradient option;
- 6 lighting colors;
- 4500x3000 px, 300 dpi;
- assist file. Compatible with: Adobe Photoshop
- Document Type: PSD
