### Analogica Lab 16MM FUJI FPE Power Grade for Professional Color Grading:

The 16MM FUJI FPE Power Grade is a professional color grading tool for DaVinci Resolve Studio, designed to deliver an authentic film look through unique, handmade analog film simulations.

It includes halation effects to enhance the vintage aesthetic, offering creators a way to bring the beauty of classic film to their digital projects.

Produced by Analogicalab, this tool combines the precision of digital grading with the charm of analog film.
