Twig & Olive - Floral Matte LR:

The Twig & Olive Floral Matte Lightroom and ACR Preset Pack, created for any type of photograph, ensures a clean and professional look. Its simplistic light tones, combined with a lower matte finish, are perfect for gloomy or flat lighting. The pack targets highlights and bloom shifts tonality, syncing with the desired mood of the photos. These presets work best for pictures taken in open shades or during golden hour, ensuring a clean and classic look.
