The **Unity Assets - Unity 3D-Models 3D Showroom Level Kit Vol 1** is a modular prefabs kit designed for creating customizable showrooms and levels of any size.

How do users resize textures and adjust rendering options for VR and mobile use?

They can design their project using "Unity Assets - Unity 3D-Models 3D Showroom Level Kit Vol 1".

Ideal for promoting products, serious games, art showcases, and VR applications, this kit is user-friendly and customizable, allowing changes in colors and prop positions. It supports mobile and VR sets with low poly modeling and optimized textures. The kit includes 11 textures of varying sizes (1024 to 4096), 33 meshes, and 42 prefabs, with UV mapping and PBR materials (Diffuse/Normal). The package also contains a map, and users are advised to resize textures and adjust rendering options for VR and mobile use.
