WHAT'S INCLUDED?

- 15 Desktop Lightroom Presets
- 15 Lightroom Mobile Presets
- FAQ File
- Unique and professional results can be achieved with just one click
- 100 Non-destructive. We've tried them on various photographs, and the outcome is amazing.
- Both for amateur and professional
- Quality over quantity. It is unlikely to see from the team at 100 presets with only minor differences between the two, excluding bundles. We value our customers and are doing our best to offer an extra-high quality product.
- These preset do not alter what's known as the white balance (White Balance) of your image. they are able to work with exposure, color, and contrast, whites HSL, blacks, colors, and more. That means that if the white balance has been set to "OK", they do similar things to what you see in the preview image and that's awesome!
- Simple to use, just one click and FAQ file, and robust support in case of need
- Simple to customize
- Both MAC & PC + Mobile
