Human Nature, a collection of human sounds composed of Field and Foley is a collection of human sounds by Field and Foley. Viral Voiceovers, an all-encompassing set of VO's inspired by viral social media content as well as pop-culture references. A sonic spin-off from GIFs and quick voiceovers, these VO's are great to add to content from sarcastic DM's for friends as well as viral videos and TikTok remixes. This is a diverse bundle that includes LatinX both male and female actors, Black males, and White male as well as female performers. This pack is part of an ongoing SFX cooperation in partnership with Overworld Studio in Los Angeles, CA.
