## ADD UNIQUE TEXTURE TO YOUR VISUALS

We have always looked for a Means to Do a split Display but in a distinctive and eye-catching way. That is the thought process behind Our Film Divider Mattes Package.

With more than 30 Distinct versions, you can easily and efficiently feature multiple distinct videos while incorporating the Grunge of authentic movie mattes!

## MADE FOR CREATIVES

I desired to create an advantage for filmmakers which Would let them complete customization of the footage and permit them to take Their creativity to another level.

So after months of work and refinement, That the Film Matte Splits were firstborn.

Just drag and fall on your footage to Create special split screens with genuine movie grunge edges.
