The Finest Vintage – Procreate Brushes is a comprehensive toolkit by The Artifex Forge. This collection offers a range of hatch and crosshatch marks, pattern brushes, and genuine vintage parchments for Procreate users.

How to create old works of art using brushes?

You can use "Finest Vintage – Procreate Brushes" to design your project.

"Finest Vintage – Procreate Brushes" Samples:

Featuring brushes sourced from actual vintage artwork, including cross hatch, shaders, and line brushes, this set allows for versatile customization and efficient creation of vintage-inspired illustrations.

Included are eraser and pattern brushes, authentic paper textures, and a quick reference guide for easy navigation.
