

Podcast Promo for After Effects (Videohive 52660204) - AE Project

2025-02-10 16:37:47 label 我要反馈 下载页面

The Podcast Promo template offers a contemporary design in a Tetris pixel style, tailored for creators.

How to design your project with textured backgrounds using patterns in After Effects?

You can use "Podcast Promo for After Effects" to design your project.

It features customizable end screens, vibrant color options, and convenient placeholders for media and text. Ideal for various media platforms like blogs, broadcasts, and channels, this template enhances content with textured backgrounds and dynamic text animations. With 4K resolution support, comprehensive color controls, included font links, and a detailed video tutorial, it ensures compatibility and ease of use in After Effects versions 2021 and above, enabling users to achieve a polished and professional presentation.

Package information

As of June 10, 2024, the "Podcast Promo" template is compatible with After Effects CC, featuring an After Effects Project File with 5 media placeholders and 19 text placeholders.
