**Volunteer Fundraising Advert / NGO Charity Campaign VH-22010451:** This template is authentic for "Volunteer Recruitment Advert / Intro" and charity crowdfunding campaigns. It's suitable for non-governmental organizations, community service, activism, vegan, fight against bullying, human rights & inclusion, animal cruelty or racism, as well as helping & supporting any other great cause.

You can raise money through donations, spread awareness about your campaign, and reach supporters via email, social media, and video events. Get involved by raising your hand and writing your message on the placard signs. Make a difference!

- Modular project! You can choose the type of input you want: Drag and drop images, logos, shapes, videos, or modify the text to suit your needs.
- You can adjust colors to match your brand's logo (Background, elements, and Inkman stick figure).
- Click on "Male" to select the female hand and pick the volunteer!
- Ultra HD 4k and Full HD 1080 resolutions are available for rendering!
- To open and edit the file, After Effects version CS5 is required. No extra plug-ins are required. Even the trial version can be used to render the program.
- Written pdf and video tutorials are available.
- Sound effects are available!
