Kindred Fall Presets: Kindred Fall offers a sharp contrast with cool shadows, crisp contrast, and warm highlights of your photos, making it seem like the perfect season that we have. In conjunction with its custom profile, fall effortlessly brings the warmth and golden tones that our most loved season provides. The richness of color and the vibrant are not lacking in this preset. Unlike Spring, Fall could sometimes require a bit less contrast, but it's a beautiful and true-to-life horse. With deep colors, stunning greens, and gorgeous skin, you'll fall in love. It will include Kindred Fall, the Kindred Fall Profile, and ten buttons for quick fixes.
